After going through the practice questions, you can use the workbook again as a refresher to prepare for the Regents exam by taking a full-length practice test. You'll get comfortable with the structure of the actual exam while also pinpointing areas where you need further review.

About the contents:

Inside this workbook, you'll find sequential, topic-specific test questions with fully explained answers for each of the following subjects:

- World History
- Geography
- Economics
- Civics, Citizenship, and Government

A full-length practice test at the end of the book is made up of questions culled from multiple past Regents exams. Use it to identify your weaknesses, and then go back to those sections for more study. It's that easy!

The only review-as-you-go workbook for the New York State Regents exam.
