We're All Going To Die Tomorrow: A Guidebook for the End of the World & A Compendium of the Many Ways in which we are all totally Doomed Dan Steely, Alan Abbadessa

A (mostly) satirical book on the current End Times craze. We examine everything from the 2012 Mayan Calendar end-date to the Rapture with snarky and occasionally inspirational commentary. Makes the perfect gift for paranoid End Times fanatics.

Note: Some potty-language, not for kids.
