**Enter the Graceling Realm and let it work its magic . . .**

When Queen Bitterblue took the throne of Monsea, she was a child, and her advisers ran the kingdom for her. Now she is beginning to question their decisions, especially how they handle the legacy of her father Leck, who ruled through his Grace—a special talent for mind-altering—and his taste for darkness and violence. Bitterblue needs to know Monsea's past to lead it into the future, so she begins exploring the city streets at night, disguised and alone. As she does, she meets two thieves, who hold a key to the truth of Leck's reign. And one of them, with a Grace that he hasn't yet identified, holds a key to her heart.

Bitterblue is unforgettable—a gateway to the Graceling Realm that braids together magic, memory, and romance.
