Ethel Merman: A Life Brian Kellow

More than twenty years after her death, Ethel Merman continues to set the standard for American musical theater. The stories about the supremely talented, famously strong-willed, fearsomely blunt, and terrifyingly exacting woman are stuff of legend. But who was Ethel Agnes Zimmermann, really? Brian Kellow's definitive biography of the great Merman is superb, and the first account to examine both the artist and the woman with as much critical rigor as empathy. Through dozens of interviews with her colleagues, friends, and family members, Kellow traces the arc of her life and her thirty-year singing career to reveal many surprising facts about Broadway's biggest star.
