Finding Mr. Right: The No Nonsense, Shame-Free Handbook For Getting The Man You Deserve John Noel

How to Find Mr. Right – Without Losing Yourself

I won't sugar-coat it. Most of the advice you've gotten up to this point is crap.

There are a lot of dating books out there. Some tell you to work on an elevator pitch. Some try to convince you to follow dumb rules that leave you miserable and drained. Some books want to make you a different person altogether.

I'm not interested in any of that.

I guarantee that this book does not contain any fancy sexual positions. There are no passages that tell you what to say. I'm not going to waste your time telling you how to be someone you're not for a guy who will dump you the second you show him who you really are.

This is your book. This journey is all about you.

Attract Great Men

The methods described in this book will help you become the woman you've always wanted to be. Over the course of a few short chapters, you're going to discover your most authentic self. After that, I'll give you a few tips on how to pick Mr. Right and send you on your way.

My advice is simple and practical. With it, you'll:

- Find Self-love
- Ditch Desperation
- Become More Authentic
- Gain Inner Peace
- Discover Good Health
- Bring Your True Greatness Into The World
- And Find The Man That's Right For You

Get This Book – Or Wonder What Could Have Been

Let's go back in time.

Imagine a beautiful spring day. You and your best friend sit under a tree for the last time, neither knowing how life will end up. You two were so much alike. Smart, beautiful, and filled with immense promise. You hug as the sun sets on the horizon and swear you'll stay in touch.

Zoom ahead a few years. You reunite at a wedding.

You two are still very much alike. You're ambitious, hardworking, and well known in your respective fields. You are both a little less youthful, but still knockouts in the looks department.

However, there's one difference. She's standing at the altar with Mr. Right. You didn't even bring a date.

What Happened?

Your friend cultivated everything discussed in this book. *You did not.*

Are you Ready For Love?

You're a busy woman. Stop wasting your time on fluff. **Get this handbook, take action, and Find Mr. Right.**
