The NEW ACT is different in design from the old version. But every ACT essay is really just a series of building blocks stacked one on top of the other. You just need to know how to assemble them into a cohesive essay. My book shows you how to do just that. It covers:

- * The Prompt -- how to cherry pick the pro and con contrasts of the prompt
- * The Three Perspectives -- how to analyze each perspective and marshal your arguments
- * Sample Essays -- sample essays written for different prompts by my students are included
- * Scoring Criteria -- how to evaluate and score student essays
- * Other Prompts -- a variety of prompts and perspectives are provided for extra practice
