## **Pearl, of the Orient** Julian Ng

Pearl returns to her native Penang and her parents after nearly ten years in Sydney, Australia. She brings with her a son from a hasty marriage, and a suitcase of repressed emotions. However, the skeletons in her family's closet far outnumber hers, and as her family implodes upon itself, it becomes a race against time to save the family business, and ultimately, her family.

Julian Ng combines drama, pathos, family politics and black magic in a love song to Penang, the original 'Pearl of the Orient'.
