The Curious Tale of Mandogi's Ghost (Weatherhead Books on Asia) Sok-pom Kim

The Curious Tale of Mandogi's Ghost incorporates Korean folk tales, ghost stories, and myth into a phenomenal depiction of epic tragedy. Written by a *zainichi*, a permanent resident of Japan who is not of Japanese ancestry, the novel tells the story of Mandogi, a young priest living on the island of Cheju-do. Mandogi becomes unwittingly involved in the Four-Three Incident of 1948, in which the South Korean government brutally suppressed an armed peasant uprising and purged Cheju-do of communist sympathizers. Although Mandogi is sentenced to death for his part in the riot, he survives (in a sense) to take revenge on his enemies and fully commit himself to the resistance.

Mandogi's indeterminate, shapeshifting character is emblematic of Japanese colonialism's outsized impact on both ruler and ruled. A central work of postwar Japanese fiction, *The Curious Tale of Mandogi's Ghost* relates the trauma of a long-forgotten history and its indelible imprint on Japanese and Korean memory.
