The Lore of the Evermen (The Evermen Saga Book 4) James Maxwell

The Lord of the Night is coming. The future of civilization is at stake.

Miro is in the Imperial capital to prepare the Empire for the onslaught. He knows his homeland lies directly in the enemy's path but struggles to form the alliances he needs.

As the high lords bicker, Ella seeks Killian's help. But, amid the growing tensions, their responsibilities drive them apart, as Killian can't be seen to favor Ella's homeland.

Against a backdrop of old hurts, guilty secrets, and shaky new allegiances, people of all nations and abilities must learn to trust one another again, and form a united front against a powerful enemy intent on destroying them once and for all.

This is the fourth book in the epic Evermen Saga.
