Careful What You Witch For: A Wicked Witches of the Midwest Short Amanda M. Lee

Being the meekest Winchester witch is ... tough.

For Clove Winchester, that has never more apparent than now. Sure, she's got a new romance brewing with Sam Cornell – but her cousins Bay and Thistle are fighting her every step of the way on that front.

When her father approaches her with an opportunity to serve as an in-house psychic for the opening of his new inn, Clove jumps at the chance. It will be an opportunity for her and Sam to spend some much-needed time alone – and have some fun in the process.

Of course, since she's a Winchester witch, nothing goes as planned.

When Thistle and Bay – and their respective boyfriends – show up for the weekend festivities, and the opening activities are interrupted by an avenging ghost, the new inn is in a precarious position.

That's on top of Aunt Tillie's efforts to undermine the soft launch – and she's feeling particularly vindictive. Can Clove and her cousins save the Dragonfly Inn? Or is Clove in for a mountain of misery?

Note: This is a short novella set in the Wicked Witches of the Midwest world. It follows *Something to Witch* about and precedes *Wicked Brew* and *Witch Me Luck*. It is approximately 25,000 words, and will not take the place of regular installments in the series. It's just a short snapshot so you can get to know some of the other characters in Hemlock Cove. Thank you for reading.
