A parent becomes a new person the day the first grandchild is born. Formerly serious and responsible adults go on shopping sprees for toys and baby clothing, smile incessantly, pull out photo albums that they “just happen to have” with them, and proudly display baby seats in their cars. Grandparents dote on their grandchildren, and grandchildren love them back with all their hearts.

This new book includes the best stories on being a grandparent from Chicken Soup's extensive library. Everyone has experienced the special ties between grandparents and grandchildren – the unlimited love, the mutual admiration and unqualified acceptance. Grandparents and grandchildren will enjoy these lovingly written stories written by grandparents about their grandchildren and by grateful grandchildren about their grandparents.

The book is set in larger print for easier reading.
