Hans Christian Anderson, Eve Sinning

Gender-swapped Fairy Tales: The Little Mermaid & The Princess and the Pea (Translated) Hans Christian Anderson, Eve Sinning

- All-original additions, embellishments and descriptions to Hans Christian Anderson's classic fairy tales
- Re-written content to provide context and clarity
- All characters gender-swapped to provide a unique gendered perspective on these classic literary texts
- Introduction by Eve Sinning
- Produced in collaboration with the Gender and Literature Research Council

Hans Christian Anderson's classic original texts of *The Little Mermaid* & *The Princess and the Pea* are turned on their head and given new life by swapping the gender of every character. Embellishments, details and descriptions have been added to help the story read more clearly, but these stories remain faithful to the original and beautiful texts. Queens become Kings, maids become servants, and the heroines of these well-loved stories become heroes instead.

By swapping the genders, these stories can be read in a new light and from interesting new perspectives. In these stories, women can be powerful rulers of the sea and the land; choosing their own husbands and protecting their sons.

So, too, are the actions and motivations of male characters turned on their heads and they are given new freedoms and motivations. They can be romantic and fanciful; silent and dutiful; graceful and beautiful - and willing to sacrifice everything for love.

Subversive and surprising, these gender-swapped versions of two classic Hans Christian Anderson stories will make you see your favourite fairy tales in a whole new light!
