Ramona and Her Mother (Ramona Quimby Book 5) Beverly Cleary

Ramona Quimby is no longer seven, but not quite eight. She's "seven and a half *right now*," if you ask her! Not allowed to stay home alone, yet old enough to watch pesky Willa Jean, Ramona wonders when her mother will treat her like her older, more mature sister, Beezus.

But with her parents' unsettling quarrels and some spelling trouble at school, Ramona wonders if growing up is all it's cracked up to be. No matter what, she'll always be her mother's little girl...right? This warm-hearted story of a mother's love for her spirited young daughter is told beautifully by Newbery Medal winning author Beverly Cleary.

Supports the Common Core State Standards
