Why We Want You To Be Rich: Two Men • One Message Donald J. Trump, Robert T. Kiyosaki

Donald Trump and Robert Kiyosaki wrote *Why We Want You To Be Rich* because they saw how the turbulent economic climate would impact the middle class. They predict the middle class in America will continue to shrink—pushing most middle-class Americans into the ranks of the poor. This book inspires middle-class Americans who believe that the American Dream is alive and well to take control of their lives... and take charge of the one thing they have total control over: themselves.
