One wintery Saturday morning in a small town in Siberia, Russia, a girl named Olga gets on a bus headed to a ski resort, where an American acquaintance named Bob is impatiently waiting for her. This meeting is extremely important not only for them, but for all of mankind, for they are both nuclear physicists with key knowledge about a sinister plot currently being developed by a group of scientists. Those scientists are working on deadly rays that might pose a grave danger to the whole world. Only Bob and Olga can foil this dastardly plot! But, unknown to Olga and the other passengers, the bus goes in a totally different direction, taking Olga and the others farther and farther away from their planned destination. When the bus finally stops, the driver orders the passengers to exit, then leaves them stranded in the middle of nowhere, forcing the passengers to fend for themselves! Will Olga and Bob meet? Why did the bus driver abandon the passengers? What will happen to all of them? Can the sinister plot against all of mankind be diverted?
