Rude Biker Chick: Lessons From My Daddy tells the story of Sash Walker growing up in the arms of her biker father. Divorce, separation, and death took her away from the one person who taught her to love.

Eventually learning to ride her own motorcycle, Sash sets off to ride across the country.

With the wisdom of her father whispering in her helmet, this Daddy's Girl turned Rude Biker Chick learns what she already knew. Told with her own unique brand of sass and in-your-face honesty, this painful tale of abuse, survival and surrender will have readers cheering.
