## **Tragedy and Hope 101: The Illusion of Justice, Freedom, and Democracy** Joseph Plummer

The information contained in this book contradicts nearly everything you've been led to believe about democracy and "representative government."

Based on the groundbreaking research of respected historian Carroll Quigley, *Tragedy and Hope 101* reveals an unimaginably devious political system, skillfully manipulated by a handful of elite, which is undermining freedom and democracy as we know it. The goal of those who control the system, in Quigley's own words, is to dominate "all habitable portions of the world." Using deception, theft, and violence, they have achieved more toward this goal than any rulers in human history.

However, the Information Age is quickly derailing their plans. The immorality of their system, and those who serve it, has become nearly impossible to hide. Awareness and resistance are growing...Tragedy is yielding to hope.
