Need a physical and spiritual boost to kick the year off right? Need some extra power to reach goals and commitments? With hundreds of exercise plans, diet gurus, and spiritual advisors out there clamoring for airwaves, there's a noticeable void of inspiring stories to give people that extra push to get them started and keep them going.

This book is not a replacement for yoga or The Zone; it is a companion - a reminder that hard work and determination really do pay off, and that our bodies are gifts to be cared for and treasured through exercise and healthy living.
