INTRODUCTION TO COUNSELING, Seventh Edition provides students with a comprehensive overview of the counseling profession while encouraging them to examine the day-to-day realities of being a counselor and their motivation for choosing the profession. Coverage includes information on what counseling is, as well as its history, theoretical orientations, applications, and professional issues. As students become engaged in the process of learning and applying counseling concepts, they get an unparalleled look at what their professional futures may hold. A new set of videos available on DVD bring many of these topics to life.
