Night Class Hannah Crow

All Rachel wants is to pass Professor Thane's class and keep her scholarship. When the handsome head of the History Department calls her to his office long after everyone else has gone home, she fears the worst, but what Thane has in store is a surprise beyond her wildest fantasies and darkest nightmares.

Thane knows his history because he's lived through most of it. He's an ancient vampire, an immortal blood drinker whose supernature allure has drawn Rachel like a moth to the flame. But Thane sees a ghost of his own distant past in Rachel, and soon he reveals his attraction for her.

With her life - and perhaps her soul - in the balance, will Rachel surrender to his unholy lusts?

Warning: This 5,000-word story contains explicit sexual content, including a passionate scene between an innocent young co-ed and a powerful vampire who craves far more than her blood.

Bonus: This book contains a free preview chapter from Hannah Crow's debut novel, Vampire U.
