Reflecting Cengage Learning's commitment to offering flexible teaching solutions and value for students and instructors, this new hybrid version features the instructional presentation found in the printed text while delivering all the end-of chapter exercises online in OWLv2, the leading online learning system for chemistry. The result--a briefer printed text that engages students online! Help your students improve their grades and understanding of concepts with this value-packed Hybrid Edition. An access code to OWLv2 with MindTap Reader, is included with the text, providing students with powerful online resources that include tutorials, simulations, randomized homework questions, videos, a complete interactive electronic version of the textbook, and more! Your students will be engage in the active study of chemistry with CHEMISTRY: THE MOLECULAR SCIENCE, Fourth Edition. Authors Moore, Stanitski, and Jurs infuse their text with timely applications that reveal chemistry as a lively and relevant subject that is fundamental to a broad range of disciplines such as engineering, biology, and environmental science. The Fourth Edition features an enhanced problem-solving methodology, a complete revision of its award-winning art program to even better help students visualize chemical processes at a molecular level, integrated coverage of organic and biochemistry content, and full media integration with OWL Online Web Learning and Go Chemistry. New content, more visualization problems, updated applications in a wide range of disciplines, and unique new end-of-chapter "grid" questions based on award-winning chemistry education research have been added throughout the text. In addition, many of the book's end-of-chapter questions are accompanied by interactive, assignable, online lessons in OWL--the #1 online learning system for chemistry.

### **From reader reviews:**

#### **Ruth Irizarry:**

In this 21st century, people become competitive in each way. By being competitive at this point, people have to do something to make themselves survive, being in the middle of the crowded place and noticed by surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. That's why, by reading an e-book your ability to survive improves then having a chance to stand out; that is high. In your case, who wants to start reading a new book, we give you that *Chemistry: The Molecular Science, Hybrid Edition (with OWLv2 24-Months Printed Access Card)* book as a starter and daily reading publication. Why, because this book is more than just a book.

#### **Kelly Cohn:**

As people who live in typically the modern era should be upgraded about what is going on or have even more knowledge to make them keep up with the era which is always changing and moving forward. Some of you may be able to update yourselves by studying books. It is a good choice for you but the problems coming to you is you don't know which one you should start with. This *Chemistry: The Molecular Science, Hybrid Edition (with OWLv2 24-Months Printed Access Card)* is our recommendation so you keep up with the world. Why, because this book serves what you want and need in this era.

#### **James Sanford:**

Reading can be called imagination hangout, why? Because if you are reading a book especially a book entitled *Chemistry: The Molecular Science, Hybrid Edition (with OWLv2 24-Months Printed Access Card)* the mind will drift away through every dimension, wandering in most aspects that maybe unidentified for but surely can become your mind friends. Imaging each word written in a publication then become one type of conclusion and explanation; this maybe you never get previous to. The *Chemistry: The Molecular Science, Hybrid Edition (with OWLv2 24-Months Printed Access Card)* giving you yet another experience more than blown away your mind but also giving you useful facts for your better life in this particular era. So now let us show you the relaxing pattern; the following is your body and mind is going to be pleased when you are finished examining it, like winning a game.
