**Dress codes: The ultimate compendium of clothing**

Clothes define people. A person's attire, whether it's a sari, kimono, or business suit, is an essential code to his or her culture, class, personality, even faith. Founded in 1978, the **Kyoto Costume Institute** recognizes the importance of **understanding clothes from sociological, historical, and artistic perspectives**. With **one of the world's most extensive clothing collections**, the KCI has amassed a wide range of historical garments, underwear, shoes, and fashion accessories dating from the **18th century to the present day**.
