An ancient Egyptian amulet. A pharaoh's soul inside demanding she obey. A double cross that ends with a curse. On her first heist to steal an ancient Egyptian amulet, sixteen-year-old Olivia inadvertently receives the soul of King Tut...and the deadly curse that comes with it. And Olivia's not alone at the museum. A member of a secret society, Xander believes it's his place to inherit King Tut's soul and justly rule. He knows nothing about the society's evil plan to control the world or the curse. Now, he must deal with the female thief who stole the amulet. When the two teens find themselves up against the secret society, they reluctantly join forces and must figure out how to end the curse before it turns deadly. On the run and unable to touch because of the curse, Olivia and Xander develop a connection during their quest. As the mystery surrounding the amulet unfolds, Olivia and Xander fall for each other. But is love enough to save them and the world from destruction? "If you are a fan of Rick Riordan books about a quest with love and history thrown in...this is for you!" – Hooked In A Book Review Other books in series: Tut's Trumpet, Peace Piper, Cleo's Curse
