What Happened To Polly (The Hamilton Sisters Book 1) Jennifer Hanning

Carmel Hamilton makes a selfish decision, resulting in the kidnapping of her little sister, Polly. The situation is further exacerbated when the girls' mother sustains dreadful injuries, following the reappearance of a man from her past.

The blame for the disintegration of the Hamilton family weighs heavily on Carmel's young shoulders. Shunned by her father and older sister, she plunges into the depths of guilt and misery, growing up believing she will never again be deserving of love. Instead, she pours her energy into building wealth, while using men for her own means.

Ellis Towers makes it his mission to break the chains that bind her heart. He finds the key to unlock the Hamiltons' deeply buried secrets – but what he discovers could further destroy Carmel's entire family.

Polly is closer than anyone imagines.

What Happened to Polly is a powerful story of love and despair, and of hope and redemption.
