## Cryptozoology Anthology: Strange and Mysterious Creatures in Men's Adventure Magazines (The Men's Adventure Library)

**cryptozoology** (*n.*) The search for and study of animals whose existence or survival is unsubstantiated or in dispute, such as Sasquatch, the Loch Ness Monster, fish with human hands, the Yeti, the Thunderbird, the Ape-Man Monster of Tennessee, and the 'Thing' at Dutchman's Rig. For three decades, when American men had questions about the Yeti, the Loch Ness Monster, Bigfoot, and other weird beasts from the strange world of cryptozoology, they found answers in the hard-hitting pages of men's adventure magazines. Now, collected here for the first time ever, are samples of sensational period reporting and wild, "true" accounts of savage, fist-to-claw duels between man and Sasquatch, man and fishman, man and monster! Plus full-color vintage pulp artwork that accompanied the stories' original publication, rare archival discoveries, men's pulp history, expert analysis, cryptid-by-cryptid commentary, and much, much more. This latest installment in the Men's Adventure Library is edited by **Robert Deis** of MensPulpMags.com, **David Coleman** (THE BIGFOOT FILMOGRAPHY) and **Wyatt Doyle** (STOP REQUESTED), and includes contributions from luminaries in the field such as **Sir Arthur C. Clarke**, **John Keel**, and many others. CRYPTOZOOLOGY ANTHOLOGY is packed with 13 biting tales of creatures notorious and obscure, and this limited hardcover includes bonus material exclusive to this edition, including an additional wild story rescued from obscurity. Don't leave civilization without it!
