Look Who's Morphing

Tom Cho

Look Who's Morphing Tom Cho

First published to acclaim in Australia, *Look Who's Morphing* by Asian Australian writer Tom Cho is a funny, fantastical, often outlandish collection of stories firmly grounded in popular culture. Often with his family, the book's central character undergoes a series of startling physical transformations, shape-shifting through figures drawn from film and television, music and books, porn flicks and comics. He is Godzilla, a Muppet, a gay white male stud, and Whitney Houston's bodyguard; the Fonz, a robot, the von Trapp family's caretaker, a Ford Bronco 4x4—and in the book's lavish climax, a one-hundred-foot-tall guitar-wielding rock star performing for an adoring troupe of fans in Tokyo.

Throughout the stories, there is a pervasive questioning of the nature of identity, whether cultural, racial, sexual, gender, or all of the above, and the way it is constructed in a world filled with the white noise of pop culture. *Look Who's Morphing* is a stylish, highly entertaining literary debut in which nothing—not even one's body—can be taken for granted.

Tom Cho is a trans writer who began writing fiction in his mid teens in Australia, where he was influenced by the YA series *Sweet Valley High*. His stories have appeared in publications in Australia and elsewhere, and he has performed at events and festivals around the world, including in the award-winning show *Hello Kitty*, which combines literature with power ballads. *Look Who's Morphing* is his first book.
