Mean Streak Sandra Brown

From #1 New York Times best-selling author Sandra Brown comes a heart-pounding story of survival, that takes the age-old question, "Does the end justify the means?" and turns it on its head.

Dr. Emory Charbonneau, a pediatrician and marathon runner, disappears on a mountain road in North Carolina. By the time her husband Jeff, miffed over a recent argument, reports her missing, the trail has grown cold. Literally. Fog and ice encapsulate the mountainous wilderness and paralyze the search for her.

While police suspect Jeff of "instant divorce," Emory, suffering from an unexplained head injury, regains consciousness and finds herself the captive of a man whose violent past is so dark that he won't even tell her his name. She's determined to escape him, and willing to take any risks necessary to survive.

Unexpectedly, however, the two have a dangerous encounter with people who adhere to a code of justice all their own. At the center of the dispute is a desperate young woman whom Emory can't turn her back on, even if it means breaking the law. Wrong becomes right at the hands of the man who strikes fear, but also sparks passion.

As her husband's deception is revealed, and the FBI closes in on her captor, Emory begins to wonder if the man with no name is, in fact, her rescuer from those who wish her dead - and from heartbreak.

Combining the nail-biting suspense and potent storytelling that has made Sandra Brown one of the world's best loved authors, MEAN STREAK is a wildly compelling novel about love, deceit, and the choices we must make in order to survive.

From reader reviews:

Lorenzo Davis:

Book is written, printed, or created for everything. You can understand everything you want by a reserve. Book has a different type. As it is known to us that book is important issue to bring us around the world. Next to that you can your reading skill was fluently. A e-book Mean Streak will make you to always be smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think this open or reading a book make you bored. It's not make you fun. Why they may be thought like that? Have you searching for best book or suitable book with you?

Jared Williams:

What do you in relation to book? It is not important together with you? Or just adding material if you want something to explain what the ones you have problem? How about your free time? Or are you busy man? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? Every individual has many questions above. The doctor has to answer that question since just their can do in which. It said that about e-book. Book is familiar on every person. Yes, it is appropriate. Because start from on jardín de infancia until university need this kind of Mean Streak to read.

Martin Thomas:

Nowadays reading books be a little more than want or need but also work as a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge your information inside the book this improve your knowledge and information. The knowledge you get based on what kind of reserve you read, if you want get more knowledge just go with schooling books but if you want truly feel happy read one together with theme for entertaining for example comic or novel. The actual Mean Streak is kind of guide which is giving the reader unstable experience.

Hazel Reinoso:

You can spend your free time to read this book this reserve. This Mean Streak is simple to create you can read it in the park, in the beach, train along with soon. If you did not have much space to bring often the printed book, you can buy often the e-book. It is make you quicker to read it. You can save the actual book in your smart phone. Thus there are a lot of benefits that you will get when you buy this book.
