Praying together as a couple is important. You know that praying together offers many benefits: a better relationship, more respect, more intimacy, deeper love for your spouse, better communication, and the list goes on. So, why aren't you doing it? What's holding you back as a couple from one of the richest experiences in your marriage?

Praying Together offers a guilt-free understanding of the hidden reasons we as couples aren't going to the Lord in prayer as a team. Birthed from their own shortcomings and transformed marriage, authors Sam and Vicki share a model for prayer within the marriage relationship that is compelling, simple, biblical, and powerfully transforming. While each chapter closes with sample Scripture and prayer for husbands and wives to use together, Praying Together equips couples to pray with one another after the book is finished.
