## Proceedings of the Ninth International Conference on Management Science and Engineering Management (Advances in Intelligent Systems and Computing)

This is the Proceedings of the Ninth International Conference on Management Science and Engineering Management (ICMSEM) held from July 21-23, 2015 at Karlsruhe, Germany. The goals of the conference are to foster international research collaborations in Management Science and Engineering Management as well as to provide a forum to present current findings. These proceedings cover various areas in management science and engineering management. It focuses on the identification of management science problems in engineering and innovatively using management theory and methods to solve engineering problems effectively. It also establishes a new management theory and methods based on experience of new management issues in engineering. Readers interested in the fields of management science and engineering management will benefit from the latest cutting-edge innovations and research advances presented in these proceedings and will find new ideas and research directions. A total number of 132 papers from 15 countries are selected for the proceedings by the conference scientific committee through rigorous referee review. The selected papers in the first volume are focused on Intelligent System and Management Science covering areas of Intelligent Systems, Logistics Engineering, Information Technology and Risk Management. The selected papers in the second volume are focused on Computing and Engineering Management covering areas of Computing Methodology, Project Management, Industrial Engineering and Decision Making Systems.

### **From reader reviews:**

#### **Cassie Merritt:**

Why don't make it to be your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite reserve and reading a reserve. Beside you can solve your long lasting problem; you can add your knowledge by the guide entitled Proceedings of the Ninth International Conference on Management Science and Engineering Management (Advances in Intelligent Systems and Computing). Try to stumble through book Proceedings of the Ninth International Conference on Management Science and Engineering Management (Advances in Intelligent Systems and Computing) as your good friend. It means that it can to be your friend when you feel alone and beside that of course make you smarter than in the past. Yeah, it is very fortunated for you. The book makes you much more confidence because you can know almost everything by the book. So , let me make new experience in addition to knowledge with this book.

#### **Eunice Buckley:**

In this 21st century, people become competitive in each way. By being competitive right now, people have do something to make all of them survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Yes, by reading a publication your ability to survive enhance then having chance to stand up than other is high. For yourself who want to start reading the book, we give you this kind of Proceedings of the Ninth International Conference on Management Science and Engineering Management (Advances in Intelligent Systems and Computing) book as starter and daily reading e-book. Why, because this book is usually more than just a book.

#### **Cheri Adamo:**

Hey guys, do you really wants to finds a new book to learn? May be the book with the title Proceedings of the Ninth International Conference on Management Science and Engineering Management (Advances in Intelligent Systems and Computing) suitable to you? The book was written by well known writer in this era. The actual book untitled Proceedings of the Ninth International Conference on Management Science and Engineering Management (Advances in Intelligent Systems and Computing)is a single of several books which everyone read now. This kind of book was inspired a number of people in the world. When you read this publication you will enter the new dimensions that you ever know prior to. The author explained their thought in the simple way, therefore all of people can easily to understand the core of this reserve. This book will give you a lot of information about this world now. So you can see the represented of the world with this book.

#### **Albert Lightner:**

Your reading 6th sense will not betray a person, why because this Proceedings of the Ninth International Conference on Management Science and Engineering Management (Advances in Intelligent Systems and

Computing) publication written by well-known writer we are excited for well how to make book that could be understand by anyone who all read the book. Written inside good manner for you, leaking every ideas and creating skill only for eliminate your own personal hunger then you still doubt Proceedings of the Ninth International Conference on Management Science and Engineering Management (Advances in Intelligent Systems and Computing) as good book not only by the cover but also by content. This is one reserve that can break don't assess book by its cover, so do you still needing an additional sixth sense to pick this!? Oh come on your examining sixth sense already alerted you so why you have to listening to another sixth sense.
