Blind Trust Barbara Boxer

Now married (to a Republican!) and in her second term, United States Senator Ellen Fisher (Democrat) is about to chair explosive hearings on Homeland Security. Before she goes head to head with the Vice President, whose excessive zeal in enforcing national security has begun to infringe on individual liberties, Ellen and her staff become the subjects of a barrage of charges and attacks that threaten their safety, as well as her career and marriage. This second novel by Senator Barbara Boxer is the story of dirty tricks and political survival, and the battle for integrity in the corridors of power. Combining the personal and the political, *Blind Trust* is an intriguing insider's view of what goes on behind closed doors in Washington, D.C.
