**Intermediate Accounting** Elizabeth A. Gordon, Jana S. Raedy, Alexander J. Sannella

*This title is intended for students in the intermediate accounting course, but can also be used as a reference for practicing professionals.*

## **Think like an accountant -- from the first day of class, throughout your career.**

Thinking like an accountant isn't just rote memorization of accounting rules. Rather, it's developing the judgment and decision-making skills needed to form accounting estimates and evaluate financial statements critically. With its focus on Conceptual Framework fundamentals and critical thinking, Gordon, Raedy, and Sannella's *Intermediate Accounting* give readers opportunities to develop problem-solving skills, apply their judgment, and work with real company financials—all of the skills necessary to succeed in the course, and beyond. After mastering these essential skills, readers will not only be prepared to pass the CPA exam, they'll be able to think like accountants.

## **Also Available with MyAccountingLab**

This title is also available with MyAccountingLab – an online homework, tutorial, and assessment program designed to work with *Intermediate Accounting* to engage students and improve results. From the first day of class, the interactive Accounting Cycle Tutorial gives students ample practice to refresh the basics, allowing instructors to spend valuable class time focusing on intermediate-level concepts and applications. Throughout the course, students test their understanding, receive helpful feedback on their errors, and practice solving accounting problems the way they will in their careers.

NOTE: You are purchasing a standalone product; MyAccountingLab does not come packaged with this content. If you would like to purchase both the physical text and MyAccountingLab search for ISBN: 0134053710 / 9780134053714.
