The Best in Show series is an outstanding success. Sally Muir and Joanna Osborne are back with a collection of new patterns for farm animals. There is something here for everyone, with instructions for large farm favourites such as cows, bulls, horses and pigs as well as cute chicks, lambs and piglets. The animals are surprisingly easy to make. It will only take a few evenings to create yourself a loveable companion. These knitted animals in miniature are much easier to look after than the real things - they don't need feeding, they won't make a mess and they take up hardly any room. Join this evocative tour of the farmyard, with all the different animals you could hope to meet. Patterns include sheep and lamb, cow and calf, pig and piglet, goat and kid, chicken and chick, goose and gosling, horse and foal, llama, donkey, bull and even a rat. Idiosyncratic descriptions of the various species accompany beautiful photography, making this book irresistible for both keen knitters and animal enthusiasts.
