## **Crooked Paths and Abandoned Borders: Story in "Real" Time (Volume 1)** Kerry Augustyniak

This is a story about courage. It's a true story of one human's struggle and one canine's quest to find a pack where they belong. It's about surviving as castaways, while each tries to find footing in a wilderness they were never intended to be part of. It's for those who dance to the beat of a different drummer and what happens when they fail to integrate, a story of trespassed boundaries, disintegration, and broken hearts, in the midst of conflicting ideologies. Despite anguish, despair, and nothing but failure along their crooked paths, they are eventually lead back to where they both began. Where Love, Hope, Acceptance, and Credence can be found, right under our very own nose.
