Drum Programming: A Complete Guide to Program and Think Like a Drummer

Ray F. Badness

Drum Programming: A Complete Guide to Program and Think Like a Drummer Ray F. Badness (Percussion). This is your complete guide to programming and thinking like a drummer - not a drum machine user. Instead of merely providing instructions for you to program into your machine, this book is a direct, mathematical approach to learning how to drum and how to best emulate a drum kit on a pre-recorded track. By following this book, you will gain an understanding of the drum kit that takes many drummers years to learn - and that will lead to more realistic programming and better results!
