"The Growing Pains of Adrian Mole" is the second in the series to be a part of Penguin's Sue Townsend repackaging programme. It offers a chance to sell Sue Townsend to a whole new audience! The troubled teenager continues to struggle valiantly against the slings and arrows of growing up and his own family's attempts to scar him for life. In between the ups and downs of his relationship with the divine Pandora and worrying that his genius is going unrecognized, Adrian Mole chronicles the pains and pleasures of a misspent adolescence. 'The new book takes up the diary where the last left off, and is quite as classic' - "Financial Times".
