**Miracle on the 17th Green** James Patterson, Peter de Jonge

Miracles happen, but only if you believe. Travis McKinley is an ordinary man living an ordinary life - he has a job that he despises, a marriage that has lost its passion, children from whom he feels disconnected, and, at age 50, a sense that he has accomplished nothing of consequence with his life.

But on Christmas Day, he goes out to play a round of golf, and for the first time, he finds himself in the 'zone'. He sees the putting line that has eluded him for years. Always a fairly good golfer, he finds himself playing like a pro and is so caught up in his excitement that he continues to play, sinking putt after putt, missing Christmas dinner with his wife and family. It is too much for his already troubled marriage.
