Writing the first book, 'As Good as it Gets' was great fun and it was just natural to carry on the key characters in a new story in this book, 'The Good just got Better'. I have introduced a new character, Ethan, and in turn he allowed me to add two more key characters, Phil and Mat, who are gay brothers. I have stuck to the same format, a sex romp flooded book of a teenager who is experienced beyond expectations, caught in the acts of indiscretions, a coming out story of an unexpected new friend, and with a brotherly double tag team the fun, thrills and shocks continue. A fostered teenager brings dark past to shocks. A trickster able to stand alone and who knows how to play the field. A new friend who finds out his new found sexuality is perfectly timed to meet a love of his life. Late night swims, Foam Party fun, as initiation by two brothers, and much more as we follow the six men as the story unfolds further.
