Culturally Adaptive Counseling Skills: Demonstrations of Evidence-Based Practices

A key supplement for courses on multicultural counseling, this book is a practical volume that will help faculty and students see demonstrations of **multicultural counseling in practice**. The text covers evidence-based practices for working with five major ethnic groups, while weaving in other factors such as gender, disability, sexuality, and more. Each chapter has two case studies by an invited expert who also provides commentary and lessons drawing upon each case.
