Etheria (Spanish Edition) Coia Valls

De Calavario a Roma, la extraordinaria odisea de una intrépida viajera del siglo IV

El último tercio del siglo IV es un período de profundos cambios. Los valores se invierten y los perseguidos se convierten en perseguidores. El Senado romano está dividido y la permanencia de la estatua de la Victoria es el símbolo del enfrentamiento entre paganos y cristianos.

En este escenario de fin de una civilización, Etheria, una mujer noble de la Gallaecia emparentada con el emperador Teodosio, emprende un viaje a Tierra Santa en pos de su sueño. En su paso por Lucus Augusta, Caesaraugusta, Tarraco, Barcino, Gerunda, Roma y otras ciudades, escribe un diario para transmitir esa experiencia a sus discípulas.

Sin embargo, a menudo las cosas no suceden como se había previsto. La aparición de Irene de Aveleda, una patricia que, bajo su apariencia de luchar por una noble causa, busca venganza, obligará a la peregrina a tomar decisiones insospechadas y enfrentarse a sus propias contradicciones.

Dos mujeres invierten sus destinos en este calidoscopio de una época de crisis. Un canto a la tolerancia y la amistad, a la capacidad de convertir el viaje en una experiencia de vida. Porque nada está escrito en las estrellas.
