# Human Movement: An Introductory Text, 4e (Physiotherapy Essentials)

## Human Movement: An Introductory Text, 4e (Physiotherapy Essentials)

This new edition provides an introduction to the study of human movement for physiotherapists and other health care professionals who undertake the assessment of movement and the rehabilitation of clients with impaired movement and function. HUMAN MOVEMENT, 4TH EDITION focuses on understanding and assessing the movement and function of human beings in their daily environment, rather than on the actual treatment for patients with abnormal movement. The text is enlivened by case studies, points for clinical consideration, and student tasks and activities -- an ideal starter kit.
