Papa's Song Kate McMullan

The acclaimed husband-and-wife team set the tone for golden slumbers.

It's way past his bedtime, but Baby Bear is wide awake. Nobody, it seems, can come up with the right lullaby to soothe him. Not Granny Bear. Not Grandpa Bear. Not even Mama Bear. Luckily, Papa Bear instinctively knows just what "song" will do - and he takes Baby Bear on a moonlit river adventure, where a symphony of nocturnal noises soon sends his little cub floating off to sleep. With rhythmic text and luminous artwork, this book is a charming lullaby in its own right as it demonstrates with aplomb that sometimes fathers really do know best.

Perfect for new fathers.
