## Stuffed by Three Thieves!

Her flesh on fire, her body out of her control, their hands all over her... all she ever dreamed of was to be with Sinbad one time. But when the opportunity came, she had no idea that being his Slave meant giving Sinbad exactly what he wanted. And what Sinbad wanted was to **share her innocent untouched body with his band of thieves**. Minnea's inhibitions blow away like sand once all three men approach her, and her lust rages of control as the three thieves make her the center of their attentions, ravishing her with their mouths and tongues, igniting every square inch of her as she becomes a **willing slave to them all**, giving her body over to them **no holes barred** in the middle of the Souk.

**Stuffing** her in every possible way, three at a time. **Stretching her more**, filling her more, than she could possibly imagine.

Watch innocent, inexperienced Minnea get ravished and **taken hard and unprotected**, by three sexy bandits, including the Souk's favorite heart-throb, the sexy dangerous Sinbad of the desert.

AN EXCERPT:

*I bit my lower lip excitedly. I could handle this.*

*Three men, that's all. .... My nipples puckered beneath me, doubling in size as they grew. The guys all suddenly looked at my breasts as if they too had seen my nipples spring to life. The two bandits eyed me. They wanted me; that was dead obvious. Part of me wished that they'd just take me, already, and not make me responsible for the decision, not force me to be culpable.*

*To move things along, I licked my lips seductively and delicately cupped my breasts. ....*

*...Sinbad turned to me, his voice and face all business now.*

*"If you're not interested in the package deal, all three of us, right now, then we'll just get dressed and leave."*

*I stared at him, uncomprehendingly.*

*I was naked.*

*He'd just made me come with his magic fingers.*

*Three men with hard beautiful cocks were standing in front of me, all within sucking distance, and he wouldn't do anything about it unless I made a special request for a triple fucking?*

*It wasn't fair, but life rarely is.*

*I bit my lip even harder and made a decision to go for it, and felt an immediate twinge of excitement between my legs. I looked at each man, one by one, and then despite my upbringing, and a voice in the back of my head that screamed - no, no, no, I nodded my head ever so slightly, yes, yes, yes. That seemed to be enough for Arlo and his **handsome black sidekick**. They both pressed towards me as if they'd been called to dinner.*

*But Sinbad put up his arms out again, stopping them.*

*“Say it,” he insisted, “**Say you want all three of us.**”*

*I sighed with frustration, who’d have thought Sinbad would be such a stickler?*
