**The Dark Days Club (A Lady Helen Novel)** Alison Goodman

*New York Times* bestseller Alison Goodman's eagerly awaited new novel -- a Regency adventure starring a stylish and intrepid demon-hunter!

**Helen must make a choice: Save her reputation, or save the world.**

London, 1812. Eighteen-year-old Lady Helen Wrexhall is on the eve of her debut presentation at the royal court of George III. Her life should revolve around gowns, dancing, and securing a suitable marriage. Instead, when one of her family's maids disappears, she is drawn into the shadows of Regency London.

There, she meets Lord Carlston, one of the few able to stop the perpetrators: a cabal of demons that has infiltrated all levels of society. Carlston is not a man she should be anywhere near, especially with the taint of scandal that surrounds him. Yet he offers her help and the possibility of finally discovering the truth about the mysterious deaths of her parents.

Soon the two of them are investigating a terrifying conspiracy that threatens to plunge the newly Enlightened world back into darkness. But can Helen trust a man whose own life is built on lies? And does she have the strength to face the dangers of this hidden world and her family's legacy?

Set in the glittering social world of the Regency upper-crust, *the Dark Days Club* is a supernatural adventure that introduces *New York Times* best-selling author Alison Goodman's Lady Helen Wrexhall—another heroine whom, like Eona, readers can take to their hearts.

*From the Hardcover edition.*
