The Three Wise Men: A Christmas Story Loek Koopmans

Long, long ago, a very special star appeared in the night sky. It shone more brightly than all the other stars. Three wise men called Melchior, Caspar and Balthasar gazed at the star in wonder. They had never seen anything like it before.

In this beautifully illustrated book for young children, the three Kings decide to journey west, following the star to a very special destination.

Loek Koopmans' retelling of one part of the Christmas story is full of life and character, as well as mystery and wonder.
